

Complete Admission and Completion Requirements

Credential in Designated Subjects Career Technical Education (CTE) and Special Subjects

(For brand new DS teachers or current teachers that **do not** hold a **Clear** Multiple or Single subject credential) TRACK A

Earning the Certificate

CTE Requirements:

- Three years of verified work experience* in the industry sector you would like to teach.
 - Work experience must be recent.
 - At least one year of experience must be within the last five years, or, two years of experience must be within the ten-year period immediately preceding the issuance of the credential. NOTE: The CTE credential is based on industry work experience; this must be actual work experience, **not teaching the subject**. For example, if you are hired to teach a course on how to become an electrician, you are required to verify that you have at least three years of experience working as an electrician.
- High school diploma or equivalent.

*Work experience must be verified on company letterhead and must be signed and dated by the company Human Resources department or the appropriate hiring department. A sample letter may be viewed [here](#).

Self-employment requirements: Verification for self-employed individuals shall include a notarized letter, signed by the applicant under penalty of perjury, detailing employment description and duties as described in the UCR Extension sample letter [here](#), and must be further substantiated in a notarized letter, by at least one other person having first-hand knowledge of the applicant's self-employment, such as the applicant's accountant, major supplier of goods, or major user of goods or services. The Credentials Office may request additional tax forms such as a Schedule C or 1099.

Special Subjects Requirements:

- Four years of verified experience as specified below:
 - Aviation Flight Instruction or Aviation Ground Instruction
 - Experience must be verified by copies of flight logs and possession of a properly rated valid certificate issued by the Federal Aviation Agency.
 - Basic Military Drill
 - Experience must be verified by the Adjutant General of the State of California.
 - Reserve Officers Training Corps (ROTC)
 - Experience must be verified by the branch of the military service sponsoring the program in the employing school district.
- Experience must be recent – at least one year of the experience must be within the three-year period immediately preceding the issuance of the credential.
- High school diploma or equivalent.
- Completion of a U.S. Constitution course or exam.
- Copy of Discharge Form (DD Form 214) or retirement certification, if applicable.

Admission Requirements

If you are in a teaching position that requires the DS credential, here are the steps to take to join the program and obtain the preliminary credential:

1. Attend the program orientation EDUC 814.7 *Orientation to the Designated Subjects Credential Program*.
2. Apply for candidacy into the UCR Extension Designated Subjects program (apply online)
3. Once accepted into the program, please contact the Credentials Office at credentials@ucx.ucr.edu for an appointment to complete the CTC preliminary credential application (additional fees and LiveScan will be required). You will then be provided with a letter verifying that you have been recommended to the CTC for the DS preliminary credential. This letter may be given to your employer as verification of the recommendation. Please note, the CTC will officially grant or deny your credential application within 50 working days. CTC notification of your application status for the DS preliminary credential will appear online at www.ctc.ca.gov.

Completion Requirements

- Complete a total of 19-quarter units, with a grade of B or better in each course. Required courses include:
 - a. EDUC 814.7 *Orientation to the Designated Subjects Program* (0 units)
