Become a Friend of UCR Osher

As a loyal member of the Osher Lifelong Learning Institute (OLLI) at UCR Extension, we know you value how it enriches your life and how OLLI programming brings the world of learning to you.

We ask that you share your appreciation for this program by paying it forward with a gift to the Osher Lifelong Learning Institute Fund. Your gift is an investment in growing a community of lifelong learners and provides educational opportunities for like-minded individuals. Additional support will help develop

the outstanding creative programming, will provide membership assistance to those in need, and will grow opportunities for special events and field trips.

OLLI members are an integral part of the Riverside and Coachella Valley learning communities. Our members are dynamic, engaging, and curious individuals pursuing learning through thought-provoking classes, special events, and social activities. Annual contributions along with the generous support from the Bernard Osher Foundation help to sustain programming for OLLI at UCR Extension. We hope you will consider investing in the growth of OLLI at UCR by making a gift today!
